

Guidelines for awarding BioExcel travel grants

BioExcel travel grants are fixed-amount support grants (amount per day) to attend BioExcel training events. Please check the eligibility criteria, how to apply and the terms and conditions before applying.

Note: We encourage all travel grant applicants to actively pursue other sources of funding as the number of travel grants are limited and the process is highly competitive. Please carefully consider the eligibility criteria and the application instructions.

The links below will help you understand how we select applicants and beneficiaries of the travel grants:

Eligibility criteria

To be eligible for a BioExcel travel grant:

- BioExcel travel grants can only be used for BioExcel training events.
- You must be a student or early career scientist from an academic institution.
- Your research or primary activity has to be within the BioExcel CoE field of interest.
- You must not have received travel funding from BioExcel in the past 12 months.
- The maximum funding award is 120 EUR per day of the course/workshop.
- Applications from individuals who are presenting at the meeting (if applicable) are looked on more favourably than those who are not presenting.

If your institution is one of the [BioExcel partners](#), contact us as soon as possible.

How to apply

To apply for a BioExcel travel grant please:

- Complete the online course application form.

- During the application process you will be asked about how the course would benefit your research. Make sure that you explain why this course *specifically* would benefit you and your research.
- Make sure that the letter of support from a supervisor or a senior co-worker which explained why you should be selected for this workshop also specifically addresses why you should be considered for the travel grant.
- Send an email to Marta Lloret Llinares - euprojects@ebi.ac.uk explaining why you should be considered for a travel grant.

Terms and conditions

If your application is successful:

- The travel grant can only be used for the BioExcel training event that you applied for.
- Applicants are still subject to the normal selection criteria for the event.
- Travel grant is a reimbursement after the event.
- To claim reimbursement, you must send the original receipts, a completed reimbursement form, course certificate of attendance and evidence of a completed feedback survey within 6 weeks of the event.
- You are required to write a blog post (300-400 words, incl. 1 photo) upon your return. Your report may be published on the BioExcel website and publicised via social media.
